List of libraries

Liste des bibliothèques

Lista de bibliotecas 5-72

99-12011 (E) 050599

INTRODUCTORY NOTE

GENERAL

1. The libraries in this list* receive material published by the United Nations for the General Assembly and its subsidiary organs, the three councils and their subsidiary organs and for the Secretariat. (Because the Registry of the International Court of Justice, The Hague, is autonomous in respect of depository and sales arrangements for Court publications, no information is given on libraries receiving them. Generally speaking, however, Court depositories include United Nations depository libraries.) Libraries generally receive their material:

   (a) Free or contributing, as depository libraries;

   (b) Free as parliamentary libraries open to the public;

   (c) As official United Nations information centres/services.

2. Each entry contains the following information:

   (a) The name and the address of the depository and parliamentary library or information centre;

   (b) The telephone/telefax number, electronic mail (e-mail) and Internet address of the library/centre on file in the Dag Hammarksjöld Library at United Nations Headquarters in New York;

   (c) The depository or parliamentary library code number;

   (d) The beginning date of deposit (month and year);

   (e) The extent and language of the material deposited.

3. Corrections and notification of any changes should be sent in writing to: Depository Libraries Officer, Room L-221G, United Nations, New York 10017; fax: +212 963 1779. Updated information is available on the United Nations Home Page (http://www.un.org/MoreInfo/Deplib/index.html).

MATERIALS DEPOSITED

4. The depository and parliamentary libraries listed herein have undertaken to keep the material received in good order and under adequate control and to make it accessible to the public, free of charge, at reasonable hours.

5. All depository and parliamentary libraries receive automatically, according to their needs, all publications offered for sale, including Official Records and public information material distributed free, if available in the official language of their choice.

6. Those depository and parliamentary libraries that are able to handle a larger volume of material receive in addition all other generally distributed documents and publications of the United Nations, as available in the official language of their choice.

7. It should be noted that the bulk of the documents and all of the meeting records remain permanently in masthead in the series of the non-sessional committees of the General Assembly, of all of the committees of the three councils, of all series of the functional commissions and regional commissions of the Economic and Social Council; and that this is likewise so of the series of petitions and communications to the Trusteeship Council and the observations thereon of the former Administering Authorities. For this reason, inquiries for such material should be referred only to libraries listed as receiving it.

8. The reports of commissions to the Economic and Social Council, the reports of committees to the councils and the reports of non-sessional committees to the General Assembly will appear in the respective printed Official Records, as supplements or in the annexes. Inquiries may be referred to any library receiving printed material.

9. Included in the list are all United Nations information centres/services existing as of 1 May 1999 established outside Headquarters and the United Nations offices at Geneva and Vienna. The centres vary considerably in size of collections and extent of services available to the public.

* *These libraries are listed in the English alphabetical order of the country, Territory or area in which they are situated.*

NOTE EXPLICATIVE

OBSERVATIONS GENERALES

1. Les bibliothèques dont le nom figure sur la présente liste* reçoivent les documents que l'Organisation des Nations Unies publie à l'intention de l'Assemblée générale et de ses organes subsidiaires, des trois conseils et de leurs organes subsidiaires et du Secrétariat. (Etant donné que le Greffe de la Cour internationale de Justice, à La Haye, arrête lui-même les dispositions relatives aux dépositaires des publications de la Cour et à la vente de ces publications, les bibliothèques dépositaires de la Cour ne sont pas énumérées dans la présente liste, mais ces bibliothèques sont aussi, en règle générale, dépositaires des documents et publications de l'Organisation des Nations Unies.) En règle générale, les bibliothèques reçoivent ces documents et publications:

a) Gratuitement ou par abonnement, si elles sont bibliothèques dépositaires;

b) Gratuitement, si elles sont bibliothèques parlementaires accessibles au public;

c) En tant que centres ou services d'information officiels des Nations Unies.

2. La présente liste donne:

a) Le nom et l'adresse de la bibliothèque dépositaire ou de la bibliothèque parlementaire ou du centre ou service d'information;

(b) Le numéro de téléphone/télécopie, l'adresse électronique (e-mail) et l'adresse internet de la bibliothèque ou du centre paraissant dans les fichiers de la Bibliothèque Dag Hammarksjöld du Siège des Nations Unies à New York;

c) L'indicatif de la bibliothèque dépositaire ou de la bibliothèque parlementaire;

d) La date (mois et année) à laquelle le dépôt a commencé;

e) L'importance du dépôt et la langue dans laquelle la documentation est reçue.

3. Toute correction ou tout changement doit être envoyé par écrit à la Responsable des bibliothèques dépositaires, Bureau L-221G, Organisation des Nations Unies, New York 10017; télécopie: +212 963 1779. Des informations mises à jour se trouvent sur la page d'accueil des Nations Unies (http://www.un.org/french/unworld/libintf.htm).

IMPORTANCE DU DEPOT

4. Les bibliothèques dépositaires et les bibliothèques parlementaires dont le nom figure sur la présente liste se sont engagées à classer et à conserver comme il convient la documentation reçue et à en permettre la consultation gratuitement au public à des heures normales.

5. Les bibliothèques dépositaires et les bibliothèques parlementaires reçoivent régulièrement, selon leurs besoins, toutes les publications destinées à la vente, y compris les Documents officiels et la documentation d'information distribuée gratuitement, dans la langue officielle de leur choix.

6. Les bibliothèques dépositaires et les bibliothèques parlementaires qui peuvent manutentionner une documentation plus volumineuse reçoivent en outre tous les autres documents et publications de l'Organisation des Nations Unies faisant l'objet d'une distribution générale s'ils sont disponibles dans la langue officielle de leur choix.

7. Il convient de noter que la plupart des documents et tous les comptes rendus de séance demeurent sous forme de documents à en-tête en ce qui concerne tous les comités et commissions de l'Assemblée générale qui ne se réunissent pas périodiquement, tous les comités et commissions des conseils et toutes les commissions techniques et commissions régionales du Conseil économique et social; il en est de même des pétitions et communications adressées au Conseil de tutelle et des observations relatives formulées par les autorités administrantes antérieures. Les personnes qui désirent consulter ces divers documents doivent donc s'adresser uniquement aux bibliothèques qui sont indiquées comme les recevant.

8. Les rapports des commissions au Conseil économique et social, les rapports des comités et commissions aux trois conseils et les rapports à l'Assemblée générale des comités et commissions qui ne se réunissent pas périodiquement figurent dans les Documents officiels imprimés en tant que suppléments ou dans les annexes. Les personnes qui désirent ces documents peuvent s'adresser à toute bibliothèque qui reçoit les documents imprimés.

9. La présente liste énumère également tous les centres ou services d'information qui, au 1er mai 1999, avaient été créés hors du Siège de l'Organisation des Nations Unies et des offices des Nations Unies à Genève et à Vienne. L'importance des collections et la gamme des services destinés au public varient beaucoup d'un centre ou service à un autre.

* *Ces bibliothèques sont indiquées dans l'ordre alphabétique anglais du pays, territoire ou zone dans lesquels elles sont indiquées.*

NOTA INTRODUCTORIA

GENERALIDADES

1. Las bibliotecas que figuran en esta lista* reciben material publicado por las Naciones Unidas para la Asamblea General y sus órganos subsidiarios, para los consejos y sus órganos subsidiarios, y para la Secretaría. (Como la Secretaría de la Corte Internacional de Justicia, en La Haya, se ocupa en forma autónoma de las disposiciones relativas al depósito y venta de las publicaciones de la Corte, no se incluyen aquí indicaciones que especifiquen las bibliotecas que reciben estas publicaciones. En términos generales, sin embargo, entre los depositarios de las publicaciones de la Corte figuran muchas bibliotecas depositarias de las Naciones Unidas.) Las bibliotecas generalmente reciben sus materiales

   a) Gratis o contribuyentes, en su calidad de bibliotecas depositarias;

   b) Gratis, en su calidad de bibliotecas parlamentarias abiertas al público;

   c) En su calidad de centros o servicios de información de las Naciones Unidas.

2. Cada rubro incluye la siguiente información:

   a) El nombre y la dirección de la biblioteca depositaria y parlamentaria o del centro de información;

   b) Los números de teléfono y de fax y la dirección del correo electrónico y la dirección del internet de la biblioteca/centro donde se encuentran archivados en la Biblioteca de Dag Hammarskjöld en la sede de las Naciones Unidas en Nueva York;

   c) El número de código de la biblioteca depositaria o parlamentaria;

   d) La fecha inicial de depósito (mes y año) o el año de la creación.

   e) El alcance del material depositado y el idioma en que está publicado.

3. Las correcciones y las notificaciones de cambios que debieran ser enviados por escritos al siguiente servicio: Oficial de Relaciones Externas, Oficina No.: L-221G, Naciones Unidas, Nueva York 10017; No. de fax: 212-963-1779. La información actualizada está disponible en la página de presentación de Naciones Unidas en el Internet (http://www.un.org/MoreInfo/Deplib/index.html).

MATERIALES DEPOSITADOS

4. Las bibliotecas depositarias y parlamentarias que figuran en esta lista mantienen el material recibido en orden y bajo control adecuado y lo ponen a disposición del público en forma gratuita y durante horarios razonables.

5. Todas las bibliotecas depositarias y parlamentarias reciben automáticamente, según sus necesidades, todas las publicaciones que se ofrecen en venta, incluso Documentos Oficiales y el material de información pública distribuido gratuitamente, a medida que está disponible en el idioma oficial de su elección.

6. Aquellas bibliotecas depositarias y parlamentarias que pueden manejar un gran volumen de material reciben además todos los otros documentos y publicaciones de las Naciones Unidas de distribución general, reproducidos en forma impresa o de otro tipo, a medida que están disponibles en el idioma oficial de su elección.

7. Debe advertirse que en las series de las comisiones de la Asamblea General que se reúnen fuera de los períodos de sesiones de ésta y en las de todas las comisiones de los tres consejos, así como en todas las series de las comisiones orgánicas y de las comisiones regionales del Consejo Económico y Social, y la mayoría de los documentos y todas las actas de las sesiones, quedan de modo permanente como documentos con membrete; algo similar ocurre con las series relativas a las peticiones y comunicaciones dirigidas al Consejo de Administración Fiduciaria y a las observaciones que sobre ellas enviaron las anteriores Autoridades Administradoras. Por ello, los interesados en tales materiales deben dirigirse únicamente a las bibliotecas que los reciben.

8. Los informes de las comisiones al Consejo Económico y Social, los informes de comités o comisiones a los consejos y los informes de las comisiones de la Asamblea General que se reúnen fuera de los períodos de sesiones de ésta aparecen en los respectivos Documentos Oficiales impresos, bien en forma de suplementos, o bien en los anexos. Los interesados pueden dirigirse a cualquiera de las bibliotecas que reciben las publicaciones impresas.

9. En la lista se enumeran todos los centros o servicios de información de las Naciones Unidas, establecidos fuera de la Sede y de las oficinas de las Naciones Unidas en Ginebra y en Viena, existentes al 1° de mai de 1999. Hay considerables diferencias entre esos centros en cuanto al volumen de sus colecciones y a la amplitud de los servicios que prestan al público.
